

## Join the Take Charge of Your Health Team

### Would You Like to Host a Workshop at Your Location?

Workshops are offered at a wide variety of locations, including libraries, churches, schools, hospitals, clinics, doctor's offices and senior centers. Hosting a workshop means you are willing to provide a space for those in your community to meet and participate in the *Take Charge of Your Health* programs. The same space should be available at the same day and time for six consecutive weeks.

We ask that all of our host sites be handicap accessible to accommodate the various needs of program participants. On the workshop scheduling form you will find some additional host site requirements.

If you wish to host a workshop, please click the link below to fill out a [host site inquiry form](#).

For more information, call AgeOptions at (800)699-9043.
