

ALERT DATE: March 24, 2020

This e-mail is being sent to professionals who are interested in receiving benefits updates regarding older adults and people with disabilities.

Hello! I hope you are all doing well and keeping safe! I have been thinking about your dedication in the midst of a very trying time and am very thankful for it!

I received a question asking if the expiration date of the certificates (Free Ride and License Plate Sticker Discount) for the Benefits Access Application would be extended in response to COVID-19. I consulted with the Illinois Department on Aging and was informed that nothing has changed and the certificates will continue to be active for two years. I thought if one person had the question, there are more people who are wondering about the same thing and that's why I am sending this e-mail to you. 😊

If there are any updates regarding the Benefits Access Application (BAA), I will inform the network as soon as possible.

Please stay safe!
