

ARMCHAIR EXPLORER

Due to our current global situation, time is something many of us have more of lately. It's an unexpected benefit — a balm to help soothe the pain of disruption. Which makes now a great time to sit back, relax and let our minds wander free.

Here are some inspiring ideas to fill that extra time and those dreams with travel. We ask that you virtually and mentally explore from the comfort of your armchair, couch or bed, letting your mind wander the earth to sample a world of experiences.
