

Avisery Alert: Our New Look!

Avisery is excited to announce that we are coming into fall 2024 with a new look for our email alerts and invites!

Recently, AgeOptions transitioned from Constant Contact to HubSpot for managing email distribution, resulting in some changes to our email settings. Please make sure you have saved avisery@ageoptions.org to your contacts and safe senders lists to ensure you continue receiving all valuable communications from the Avisery team! (Please scroll down for more important details.)

Here's a sneak-peek to our new look!

Other Important Changes:

After July of 2025, links contained in Avisery emails sent before September 1, 2024 will no longer be active. You can always reach out to Avisery to request older materials.

You can also find all of our alerts on our website at www.ageoptions.org/resources/avisery.

If for whatever reason, you realize that you no longer are receiving Avisery Alerts or Avisery Invites, please reach out to us directly at avisery@ageoptions.org

As always, if you have any questions, please do not hesitate to contact us at avisery@ageoptions.org or call 708-628-3440.

Avisery by AgeOptions provides tools and support to professionals serving older adults and people with disabilities, enabling them to help their clients access healthcare coverage that allows them to thrive as they age. To sign up for our Avisery email list and receive information on upcoming trainings, webinars and more, please click [here](#).
