

How to Create a Northstar Digital Platform Learner Account:

Log in to Northstar using **your administrator login**: at <https://www.digitalliteracyassessment.org>

The screenshot shows a web browser window with the address bar containing [digitalliteracyassessment.org](https://www.digitalliteracyassessment.org). The browser's bookmark bar includes items like 'My Profile - Zoom', 'Laona Fleischer | CEA Learn', 'Microsoft Forms', 'Library Program For Partne...', 'Microsoft Forms | Microsof...', 'Mail - Laona Fleischer - Ou...', and 'AgeOptions'. The website header features the Northstar logo, navigation links (ABOUT, FEATURES, PRICING, BUILD YOUR SKILLS, CONTACT US), a language dropdown set to 'English', and a 'LOG IN' button highlighted with a red box and an arrow. The main content area has a blue background with the text: 'Increase Digital Skills for your constituents through Northstar Digital Literacy!'. Below this, it states 'Northstar is a program of Literacy Minnesota' and 'Northstar Digital Literacy helps subscribing organizations to provide constituents with tools to master the digital skills needed to work, learn, and participate fully in daily life.' At the bottom, there are three white boxes with icons and labels: 'Assessments' (green checkmark icon), 'Education' (orange person climbing stairs icon), and 'Reports' (blue document icon).

Your Info

Location PIN:

TGMP

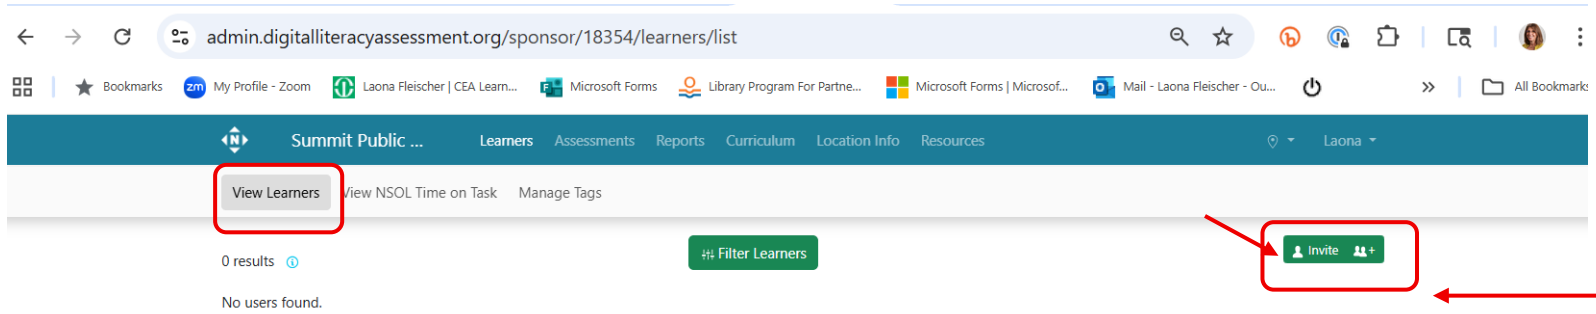

Using this PIN to access assessments ensures that results will feed into your location's reports. You can use it in either of these ways:

- Enter the PIN on our homepage.
- Bookmark the page it takes you to:

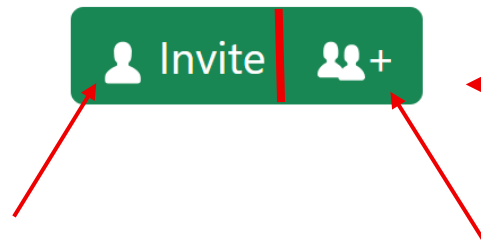

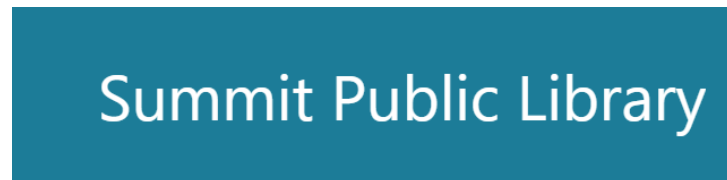

<https://www.digitalliteracyassessment.org/launch-from/18354-TGMP-summit-public-library-->

You're also welcome to post the location PIN in your computer lab for easy reference.

How to add learners:

There are two ways to invite learners: the **right side of the invite button is for bulk invitations**.
The **left side of the invite button is for individual invitations**

Tag the learner with AgeOptions tag and remind learner the invitation will be sent with your (staff/administrator) email address (NOT a Northstar email address). Once the learner accepts the invitation to utilize the Northstar Digital Literacy platform, they are good to go.

0 results Filter Learners

To invite a new learner, submit their information below. Their account will be marked 'pending' until they accept your invitation. Once they accept, you will have access to view their account details, including historical data if they have been a learner at other locations.

Because Northstar staff resources are limited, we will include your email address (laona.fleischer@ageoptions.org) in the email notification that is sent to learners when you create their account, so that they can reach out to you for support if needed. If you would like to change which email address you use for Northstar, you can visit your Personal Profile by clicking on your name in the upper-right corner of this page.
